

July 12, 2009

Dear potential vendor,

On behalf of the Barnabas Baptist Church and our 501C3 non-profit organization Barnabas Community Institute. I am writing this letter to share some information about our Annual Community Event that will take place on September 19, 2009 at the Fruitdale Recreation Center. The Annual Community Event consists of the Barnabas Baptist Church & BCI giving back to the community. There will be lots of Food, Live Entertainment, Games for children, Prize drawings and a City Wide Dance/Drill Team Competition. Barnabas Baptist Church has hosted this great event for the past 13 years and we are very excited about having this event every year in the Fruitdale Community.

We would be pleased and honored if you would consent to becoming a vendor at the 2009 Barnabas Community Picnic. The cost is \$35 for a table and \$50 with a covered tent. We will forward a complete vendor registration packet to you shortly to give you an idea of the specific activities that will be available at the picnic.

Thank you for helping us make this event beneficial to the Fruitdale Community. Please contact us if you have questions.

Yours sincerely,

Teresa L. Jones
Committee Chairperson
Barnabas Baptist Church
